

Enhancing your local area Redevelopment of land at Wimborne Market, Dorset

Welcome to our virtual exhibition

Thank you for taking the time to attend our virtual public exhibition regarding the early concept for our exciting vision for land at Wimborne Market.

McCarthy & Stone, the UK's leading developer and manager of retirement communities, is displaying its unique vision to replace the existing, unsightly, portal frame buildings and deliver a flagship fully-integrated Retirement Village at the Wimborne Market site in Wimborne Minster, Dorset.

Our vision for this site, in the heart of Wimborne, is unlike anything we have done before and we would be proud to be able to deliver our first Retirement Village in Dorset, the home of our company's Head Office for the past 40 years.

This vibrant, new retirement community will provide housing choice for older people, whilst ensuring the safety and support of our homeowners, and helping to reduce social isolation and loneliness.

Have your say

We want to know what you think of our early vision for Wimborne Market at the first stage of our consultation. There will be a further round of engagement with more detailed plans in the coming weeks, but in the meantime, we encourage you to complete an online feedback form, to provide your thoughts and suggestions. Alternatively, you can contact a member of the project team via email on feedback@mccarthyandstone-consultation.co.uk or using the details in the 'Have your say' section of the website.

We hope you find our virtual exhibition informative.
